# Map Assignment

## Performance Scale

### 5 EXCELLENT

The map is visually appealing, carefully coloured with attention to detail. Printing is clear and easy to read and the map is neat; there are no sloppy areas. There are no spelling errors and all locations are accurately labelled. The map has a title, frame, and compass.

### 3 SATISFACTORY

The map is readable. It is coloured, but may be sloppy in some areas. Printing may be somewhat crooked or untidy. There are two or three spelling errors or inaccurately labelled locations. The map includes almost all of the required elements.

### 1 MINIMALLY ACCEPTABLE

The map is carelessly done. Printing is not neat. There are many spelling errors and/or inaccurately labelled locations. The map is missing many of the required elements and may not be coloured.
