When I have kids in grade 4/5 wanting to know when the next issue is coming, even in December and June, that's when I know I have an excellent resource.

A. Eisler, Burnaby, BC

It is a relief to have a resource that fits with the curriculum and is teacher-friendly (ready to hand out). The added bonus of having the answers to the questions and discussion notes makes my life just a little bit easier.

B. Thibodeau, Saskatoon, SK

I have been using your product for seven years. There isn't a month that goes by that I don't get into challenging discussions with my students with the leads you provide and go in directions I could never imagine. Thank you for this terrific teaching aid!

D. Faerber, Pembroke, ON

Engaging, levelled articles, background information and original illustrations make the news interesting and easy to grasp. Accompanying questions and assignments provide multiple ways to examine the topics and enhance literacy and critical thinking.
